

Can you imagine life without the unspoiled nature of Lookout Mountain? How about those miles of trails or the fabulous woodlands crisscrossed with waterfalls and quiet overlooks?

Nature is central to all of our lives. Young people are looking forward to building a better life and embracing a love of the out-of-doors and learning. For them, Lookout Mountain and the free programs we do with Howard High School, are a central part of their success.

Your donation will conserve, restore and build the lands and trails we all love while empowering hundreds of students, every year, who otherwise might not be able to graduate from high school or build the self-esteem needed to go on for a successful career. *Thank you!*
